The screenshot shows the Canvas LMS editor interface. At the top, the page title is "Video 2022-0829 Ch1C". Below the title bar is a rich text editor toolbar with options for font size (14.4px), paragraph style, bold, italic, underline, text color, background color, text alignment, and bulleted list. The main content area displays a video player with a play button and a progress bar at 0:00 / 1:10:52. Below the video player, there are settings for "Options" and "Users allowed to edit this page", with a dropdown menu currently set to "Only teachers". Other options include "Add to student to-do" and "Allow in mastery paths". At the bottom, there are buttons for "Cancel", "Save & Publish", and "Save".

The screenshot shows the published Canvas LMS page. At the top right, there is a green "Published" button and an "Edit" button. The page title is "Video 2022-0829 Ch1C". Below the title, there is a video player with a play button and a progress bar at 0:00 / 1:10:52. The video player is embedded within a page of content that includes a "Summary" section, a "Critical Thinking Issues" section, and an "Association" section. The "Association" section contains a table with columns for "Comparison (Two groups)", "Type", and "Co-Variation (Two factors)".

Comparison (Two groups)	Type	Co-Variation (Two factors)
Women live longer than men.	Observed	As height increases, weight increases.
US women live five years (6.8%) longer than men.	Attributed	For each additional inch in height, weight increases by four pounds.
