Click on Map button to see your data "mapped."

This screenshot shows the LexisNexis interface for 'Campaign Contributions - Obama for America' for the month of 01/2008. The 'Map' button in the top toolbar is highlighted with a red arrow. Below the map, a table lists contributions by state, with columns for State, Amount, and Percent from Maryland. The map shows a color-coded distribution of contributions across the United States.

Calculate your own values

1. Click on the Calc button
2. Enter Expression
3. Name the column
4. Carry out decimals
5. Save

This screenshot shows the 'Column Editor' dialog box in the LexisNexis interface. The 'Calc' button in the top toolbar is highlighted with a red arrow. The dialog box shows the expression '12X17100' and the column name 'Percent from Maryland'. The 'Number of Decimals' is set to 2. The 'Save' button is highlighted with a red arrow.

Percentage of Obama Contributions from Maryland

This screenshot shows the LexisNexis interface for 'Campaign Contributions - Obama for America' for the state of Maryland for the month of 01/2008. A line graph shows the percentage of contributions from Maryland over time. The y-axis is labeled 'Percent from Maryland' and ranges from 0 to 10. The x-axis shows months from 01 to 12. A red arrow points to the 'Map' button in the top toolbar.

Click on Print

This screenshot shows the LexisNexis interface for 'Campaign Contributions - Obama for America' for the state of Maryland for the month of 01/2008. The 'Print' button in the top toolbar is highlighted with a red arrow. A table and a line graph are visible in the background.

Use the "Search" tool to locate data

This screenshot shows the LexisNexis interface for 'Statistical DataSets'. The 'Search' button in the top toolbar is highlighted with a red arrow. The 'Search' dialog box is open, showing search results for 'Lottery Revenue'. A red arrow points to the search results.

Click on "Help"

This screenshot shows the LexisNexis interface for 'Statistical DataSets'. The 'Help' button in the top toolbar is highlighted with a red arrow. A line graph is visible in the background.
