Invited Paper Meetings are organised by recognised international experts at the invitation of the ISI Scientific Programme Committee.

STCPM

Special Topic Contributed Paper Meetings are organised by an individual who arranges for a group of authors to submit related contributed papers.

CPM

Contributed Paper Meetings are submitted by individuals and grouped into meetings by the Local Programme Committee.

Posters

Posters are usually presented by first-time presenters, or for a specialised paper such as one comprising a large amount of visual material. Posters will be exhibited in the Poster Session area which is situated in Hall 4AD & 5AD in the Exhibition Hall. The schedule of poster presentations will appear in the daily newsletter.
