UNM Students Enrolled: Two Systems

The Registrar's office operates two systems that give the seats available and the number of students enrolled:

1. **Real-time: unofficial. Online public.**
2. **Batch. Updated overnight. Official. Requires UNM login.**

1. Real-time Access Search for Classes

<https://lobowebapp.unm.edu/StudentRegistrationSsb/ssb/registration>

Schedule of Classes Online Public Search

Course locations are being updated in the Schedule of Classes, on an ongoing basis, with additional directional information. Some classes will have to move from their usual modality and locations to different rooms—it will be important for students to review their schedules carefully prior to the start of classes.

How to Search for Classes

Registration Tips

Use College Scheduler to create your ideal schedule. To view more information about the schedule planning tool [click here](#)

The screenshot shows a web interface for a batch system. At the top, there are buttons for "Change Semester" and "Change Campus". Below these are "Campus Map" and "Information" buttons. A search bar with "Filter..." is visible. A dropdown menu is open, showing a list of subjects: LLSS, LTAM, MATH (highlighted in red), MDVL, and ME. The "MATH" option is selected. Below the dropdown, there is a "Rows" field set to "50" and a pagination indicator "1 - 50 of 10,409". At the bottom, a table displays course information:
