Threats are classified as "attack" or "other" -- unless they are undetermined.

"Attack" identifies the "highest level of threat": a "direct and immediate threat to life."

"Attack" includes shot at or threatened with a gun or physical force

Select only those that are unarmed (459)

Washington Post
US Fatal Police Shootings since 2015

Ten youngest victims of a fatal police shooting since 2015.
Sorted by the age of the victim

name	date	armed	age	gender	race	city	state	threat	flee
Clesslynn Jane Crawford	3/26/22	unarmed	2	F		Baxter Springs	KS	other	
Jeremy Mardis	11/3/15	unarmed	6	M	W	Marksville	LA	other	Car
Kameron Prescott	12/21/17	unarmed	6	M	W	Schertz	TX	other	Not fleeing
Fanta Bility	8/27/21	unarmed	8	F		Sharon Hill	PA	other	Not fleeing
Ciara Meyer	1/11/16	unarmed	12	F	W	Penn Township	PA	other	Not fleeing
Thomas Joseph Siderio	3/1/22	gun	12	M		Philadelphia	PA	other	Foot
Tyre King	9/14/16	toy weapon	13	M	B	Columbus	OH	other	Foot
Andre Hernandez	6/3/22	undetermined	13	M		San Antonio	TX	other	Car
Adam Toledo	3/29/21	undetermined	13	M	H	Chicago	IL	other	Foot
Valentina Orellana-Peralta	12/23/21	unarmed	14	F	H	Los Angeles	CA	other	Foot

Notice that all those shot below age 12 were given a threat level of "Other".

There is no threat category for a non-threat: an accidental shooting

INSTRUCTIONS:

Select date range: Usually just past whole years.

Copy database to clipboard. Post to Notepad. Open into Excel as delimited, comma.

        Armed: Summarize weapons into seven groups

        Race: Summarize Asian, Native American and Other into Other

        Do Cross-tabs (Insert pivot table). By X and Race is common.
