United States Conference On Teaching Statistics 2015 Lifetime Achievement Award

Announcement

The Consortium for the Advancement of Undergraduate Statistics Education (CAUSE) is now accepting nominations for the **2015 USCOTS Lifetime Achievement Award** in statistics education. This biennial award is presented at the U.S. Conference On Teaching Statistics to an individual who, over an extended period of time, has made lasting contributions with broad impact to the field of statistics education especially, but not limited to, the teaching and learning of college-level statistics.

The award committee is made up of the Director of CAUSE, the Chair of the CAUSE Board of Directors, the Chair of the USCOTS Program Committee, and all **past winners** (currently: Dennis Pearl, Jessica Utts, Allan Rossman, George Cobb, Joan Garfield, Roxy Peck, Richard Scheaffer, and Christine Franklin). The committee will review nominations arriving before February 1, 2015. A nomination packet (maximum 10 pages) should include a nomination letter of up to 3 pages signed by three nominators stating why the individual is deserving of the award and up to 7 pages of supporting testimony/e-mails from others. An **example** of the packet prepared for the 2013 award winner may be helpful in preparing a nomination. Nomination packets may be sent by e-mail or post to:

Dennis Pearl
