

10th International Conference on Teaching Statistics

“Looking back, looking forward”

Kyoto, Japan, 8–13 July 2018

Website: icots.info/10

23 September 2017

Dear Milo Schield,

It is with pleasure that the International Program Committee (IPC) for the Tenth International Conference on Teaching Statistics (ICOTS10) warmly invite you to present your proposed paper

Statistics Education 2018: Back to the Future

as an **invited paper** in Topic 1 Statistics education: Looking back, looking forward.

The International Conference on Teaching Statistics will be held in Kyoto, Japan 8-13 July 2018. This conference, held every four years, and is the largest international conference in statistics education.

The major aim of ICOTS is to provide the opportunity for people from all countries to exchange ideas in teaching statistics, to discuss the latest developments and to expand the network of statistics educators. Your presentation will contribute directly to these aims.

Each presenting author will be sent a code and instructions to upload their paper to the conference website. ICOTS offers to all authors an optional peer review process aligned with international reviewing procedures and standards. If you wish your paper to be refereed, please upload your paper to the conference website by **15 November 2017**. If you do not wish your paper to be refereed, the due date for receipt of the paper is **28 February 2018**.

The document “Guidelines for Preparation of Manuscripts” on the Conference website <http://icots.info/10/> contains vital information about preparing your paper and formatting requirements. The website is always the main source of information about the conference and you should continue to refer to it over the next few months for announcements and registration procedures.

All Invited paper presenters are required to register for the conference and to cover their own travel and accommodation costs.

We look forward to seeing you in Kyoto!

Yours sincerely,

Katie Makar
Chair, International Program Committee

Chris Wild
Topic Convenor Leader, Topic 1
